11/7/2020 17:55	Khue Vi Tran	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 9:26	Kelly Park	11/10/2020	City Council Comment	500	Hi, I am commenting to urge City Council to vote YES on this agenda item to provide oversight and involvement from the public concerning surveillance. Thank you.
11/8/2020 10:03	Nicole Oga	11/10/2020	City Council Comment	500	My name is Nicole and I am a constituent in District 3, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 10:14	Kevin Mahoney	11/10/2020	City Council Comment	500	I am a registered voter in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:29	Melissa Artobello	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:44	Anna Mook	11/10/2020	City Council Comment	500	My name is Anna Mook and I am a constituent from District 5, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. I urge you to SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 10:44	Sandra Duran	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:47	Beatrice Waterhouse	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:49	Katie	11/10/2020	City Council Comment	500	My name is Katie and I am a resident of Sorrento Valley, Chris Cate's district. To Chris and the rest of the council, I am urging you to Vote Yes on agenda items S500 and S501. While your vote today will not repair the harm done already, these ordinances will establish a much needed Privacy Advisory Board to review the city's acquisition of surveillance technology. We need a council who will protect the privacy rights of San Diegans and address future surveillance technology in our city. TRUST SD Coalition has put together a reasonable plan to keep ordinances strong and to give the council the necessary oversight and transparency in the process of obtaining and using surveillance technology on our citizens and visitors. Vote Yes on S500 and S501.

11/8/2020 10:49	jean-huy	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:51	Shay Kawanomiller	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:52	Remy Bautista	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 10:53	Amanda Albright	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 11:16	Jacob Van Dehy	11/10/2020	City Council Comment	500	I'm asking Council to pass a strong resolution on surveillance oversight with S500 and S501, and adopt the amendments proposed by the TRUST SD Coalition. San Diegans have a right to understand the surveillance technology within their city and have a group of citizens assessing the legality and ethics of new devices. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 11:23	Ian Craft	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 11:41	SUSAN ZYPHUR	11/10/2020	City Council Comment	500	I am a resident in San Diego county, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 11:46	Katie Levy	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:06	Kat St. Aubin	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 12:17	Sarah Millhoff	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:17	Cynthia Dickinson	11/9/2020	City Council Comment	500	Please vote in favor of this ordinance as it will put in place necessary safeguards that keep our privacy rights protected and with ordinance 501 will address future mass surveillance technology in San Diego.
11/8/2020 12:21	Luke Herrington	11/10/2020	City Council Comment	500	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p> <p>We don't have to trade privacy for security. We can have both!</p>

11/8/2020 12:23	Luke Herrington	11/10/2020	City Council Comment	500	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p> <p>We don't have to trade privacy for security. We can have both!</p>
11/8/2020 12:30	Deborah Gostin	11/10/2020	City Council Comment	500	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p>
11/8/2020 12:34	Krystle Johnson	11/10/2020	City Council Comment	500	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. The council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p>

11/8/2020 12:53	Julia Slupska	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. I ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. I am concerned that the loopholes added using the language of “legitimate security concerns” and “exigent circumstances” will impede Council’s ability to have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:56	Rachel Parish	11/10/2020	City Council Comment	500	Dear City Council Members, I am a constituent and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:58	Gabrielle Garcia	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 21:22	Joanna Gray	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 22:18	Tama Becker-Varano	11/10/2020	City Council Comment	500	I am a constituent here in San Diego and I urge you to vote YES on the TRUST SD ordinances. This ordinance will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. The Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 8:23	David Tran	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 9:20	Wendy Wheatcroft	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 9:48	Krijn van der Raadt	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 9:55	David	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 10:01	Stacey Uy	11/10/2020	City Council Comment	500	Community members have repeatedly questioned the use of Smart Streetlights ever since they were rushed into San Diego, and we demand oversight to prevent this from happening again. We demand the strongest laws possible be passed by City Council to protect our privacy rights. We must create a democratic process that is transparent and responsive to the needs of the community. We need the Privacy Advisory board to provide a comprehensive analysis of technology use, privacy concerns, and surveillance issues in San Diego, and to make sure nobody with a financial stake in the prospective tech is in a decision making position. We need this step BEFORE the surveillance technology is deployed, NOT after.
11/9/2020 10:37	Ariana Torres	11/10/2020	City Council Comment	500	I am a constituent here in North PArk San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 10:40	Brooke Farnum	11/10/2020	City Council Comment	500	I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. They will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. We don't want to expand exigent circumstances beyond protecting human life. Opening property damage as an exigent circumstance opens us to allow the government to use face recognition or other unapproved technologies to monitor protests or community gatherings. Meaningful oversight means no loopholes for vaguely defined "security concerns" that could hide surveillance tech that directly affects our communities. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:10	Cassandra Fullerton	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:12	Carly Goldstein-Schu	11/10/2020	City Council Comment	500	As a resident of San Diego, I urge the council to vote YES on the TRUST SD ordinances. As a city, we need to protect our privacy rights and address the future of mass surveillance tech in San Diego. Please support the amendments presented by the TRUST SD Coalition. Thank you.

11/9/2020 11:23	Christina Griffin-Jones	11/9/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:29	Taylor Lane	11/10/2020	City Council Comment	500	I am a constituent here in San Diego (district 3), and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. The council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:34	Kathy Archibald	11/10/2020	City Council Comment	500	Please vote YES on the TRUST SD ordinances to promote good governance and protect our privacy rights, protect the city from preventable lawsuits and cost overruns, and encourage open and transparent government.
11/9/2020 12:09	Katrina	11/10/2020	City Council Comment	500	I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 12:12	Alisa Miller	11/10/2020	City Council Comment	500	I urge you to vote yes on this proposal to create regulations relating to the use of surveillance technology within San Diego. As we saw earlier this year, the smart streetlights have the capability to be used beyond their intended purposes. We have also seen that they were not properly vetted and are now unable to be turned off without immense time and work. Transparency is essential moving forward.
11/9/2020 12:15	Lauren-Taylor Mansfield	11/10/2020	City Council Comment	500	I am a concerned constituent of Coronado who frequents San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 12:23	Todd Prodanovich	11/10/2020	City Council Comment	500	I'm a resident of District 3 and I'm writing to express my support for the ordinance regulating the City's use, acquisition and funding of surveillance technology. The importance of citizen oversight and transparency is paramount when considering the use of surveillance technology, as this technology of course poses threats to the personal liberties of citizens.
11/9/2020 12:24	Rachel Salvati	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 12:27	Joyce Lane	11/10/2020	City Council Comment	500	I am a constituent in Council District 9, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 12:38	Kyle Knoebel	11/10/2020	City Council Comment	500	This is Kyle Knoebel in San Diego's 3rd District, and I urge you to vote yes on the TRUST SD ordinances this November 10th (agenda items S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 12:56	Anita Chowdhury	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 12:57	Shelby Woulfe	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 13:39	Celine Milla	11/11/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances. Please support the amendments presented by TRUST SD Coalition that will put safeguards into place for citizens right to privacy.
11/9/2020 13:44	Courtney Moltzen	11/10/2020	City Council Comment	500	As a San Diego resident and constituent, and I urge you to vote YES on protecting our communities by voting YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. Surveillance technology is never objective, and inherently puts marginalized communities at risk. We stand against endangering our community and urge you to stand with public safety.
11/9/2020 13:46	Jewell Karinen	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 13:53	Joya Saxena	11/10/2020	City Council Comment	500	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p>
11/9/2020 13:54	Nicole Wells	11/10/2020	City Council Comment	500	<p>Hi my name is Nicole Wells . I am writingin support of the two ordinances that will create a Privacy Advisory Board and create a process to ensure that there is transparency and responsible use of surveillance technology. We need these ordinances to address the future of mass surveillance technology in San Diego, and I urge councilmembers to VOTE YES on both ordinances.</p> <p>Currently, mass surveillance technology is acquired and deployed without prior input from the public. Impacted communities don't have a seat at the table. If you are deploying technology that will affect us, we need to have a voice in crafting policies.</p> <p>The lack of transparency and accountability in the use of surveillance technology erodes trust between San Diegans and the government. The widespread use of mass surveillance technology poses unique risks that harm San Diegans, particularly minority communities. There is currently no oversight of the acquisition or use of surveillance technology in San Diego. As a result, these systems are plagued by a lack of expertise, a lack of transparency, and cost overruns.</p> <p>These measures promote good governance- They protect the city from preventable lawsuits, cost overruns, and encourage open and transparent government.</p>

11/9/2020 14:16	Kandi Custodio-Tan	11/10/2020	City Council Comment	500	I am a resident in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:20	Alexi G	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:24	Chelsea Geyer	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 14:25	Bertha Rodriguez	11/10/2020	City Council Comment	500	As a San Diego resident, I urge you to vote YES on the TRUST SD ordinances. These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. This is necessary to protect all San Diegans. Voting YES on the TRSUT SD Ordinances means that the rights to our own privacy will be protected!
11/9/2020 14:27	G Trupp	11/10/2020	City Council Comment	500	Please vote YES on this item and please SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. Currently, mass surveillance technology is acquired and deployed without prior input from the public. Impacted communities don't have a seat at the table. If you are deploying technology that will affect us, we need to have a voice in crafting policies.
11/9/2020 14:27	Lissa Tsu	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:30	Julia Slupska	11/10/2020	City Council Comment	500	In cooperation with researchers at UC San Diego and the Tech Worker's Coalition, I have put together a memo combining findings from academic research in cybersecurity, law, and police accountability on the ways in which secrecy leads to bad public technology. This is in direct response to the suggested loopholes in the TRUST SD Ordinance for "legitimate security purposes" and "exigent circumstances." Such vague terms could easily be overused to create excessive secrecy which would render accountability mechanisms largely meaningless. This would be a disservice both to the public and to law enforcement. I have submitted this memo to the City Clerk and would like it to be attached to this comment.

11/9/2020 14:37	Joel Alexander	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:48	Lisa Marie Jones	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:49	Tanisha L. Denham	11/10/2020	City Council Comment	500	I am a constituent, and I urge you to vote Yes on agenda item S500.

11/9/2020 14:51	SAMANTHA MOHN	11/10/2020	City Council Comment	500	I am a constituent here in San Diego and I urge you to vote YES on TRUST SD ordinance S500. This ordinance will place a necessary safeguard to protect our privacy rights. We demand transparency and deserve the right to know who is funding these surveillance cameras, who is producing these surveillance cameras, how the recorded footage is handled. Since these cameras are placed within our community we need to have a voice in crafting policies. Surveillance technology needs to have heavy oversight with individual citizens' privacy rights in mind. Through the creation of the Privacy Advisory board, surveillance technology in San Diego can be transparent. The board will provide a comprehensive analysis of the concerns and issues when it comes to implementing this technology. This is a crucial step to ensure surveillance technology won't be used to violate our civil rights and liberties. Thank you.
11/9/2020 14:56	Lauren Becker Downey	11/10/2020	City Council Comment	500	As a constituent of San Diego, I urge you to vote YES on the TRUST SD ordinance at the November 10th session (agenda item S500). This ordinance will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. This ordinance will put in place necessary safeguards that keeps our privacy rights protected and addresses the future of mass surveillance technology in San Diego. It promotes good governance and protects the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinance as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 15:04	Sarah	11/10/2020	City Council Comment	500	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 15:06	Maya Grace Misra	11/10/2020	City Council Comment	500	Hello! I am a constituent in San Diego, and I implore you to vote YES on the TRUST SD ordinances. The more we normalize the usage of digital surveillance technologies without any oversight, the less recourse we will have later on to manage and secure the privacy of our citizens. We desperately need the Privacy Advisory Board that these ordinances would mandate, as it would make a space for informed input on the usage of these technologies from both experts and people from the communities most at risk of having their civil liberties violated. These ordinances would also protect the city from unnecessary and expensive lawsuits, while encouraging an open and transparent government that can more adequately respond to the needs of community members. Additionally, we must collectively recognize that expanding exigent circumstances to include property damage paves the way for our government to utilize these tools to monitor protests and criminalize those exercising their rights as citizens. I hope that you agree with my belief that protecting human life and liberty should be the primary concern of all elected officials; please protect our community members by voting YES on these ordinances!
11/7/2020 17:56	Khue Vi Tran	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 9:29	Kelly Park	11/10/2020	City Council Comment	501	I'm commenting to urge the council to vote YES on this agenda item, which will allow for protection and privacy for San Diego residents to be ensured. Thank you.

11/8/2020 10:07	Nicole Oga	11/10/2020	City Council Comment	501	My name is Nicole and I am a constituent in District 3, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. Currently, mass surveillance technology is acquired and deployed without prior input from the public. Impacted communities don't have a seat at the table. If you are deploying technology that will affect us, we need to have a voice in crafting policies. These ordinances will place oversight of all mass surveillance technology into the hands of San Diegans. The new Privacy Advisory Board will combine experts and community members, and will be sure to include the people most at risk of having their civil rights and liberties violated.
11/8/2020 10:15	Kevin Mahoney	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:31	Melissa Artobello	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 10:45	Sandra L Duran	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:45	Anna Mook	11/10/2020	City Council Comment	501	I am Anna Mook and I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. I ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:50	Beatrice Waterhouse	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 10:50	Katie	11/10/2020	City Council Comment	501	My name is Katie and I am a resident of Sorrento Valley, Chris Cate's district. To Chris and the rest of the council, I am urging you to Vote Yes on agenda items S500 and S501. While your vote today will not repair the harm done already, these ordinances will establish a much needed Privacy Advisory Board to review the city's acquisition of surveillance technology. We need a council who will protect the privacy rights of San Diegans and address future surveillance technology in our city. TRUST SD Coalition has put together a reasonable plan to keep ordinances strong and to give the council the necessary oversight and transparency in the process of obtaining and using surveillance technology on our citizens and visitors. Vote Yes on S500 and S501.
11/8/2020 10:50	jean-huy	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:51	Shay Kawanomiller	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 10:52	Remy Bautista	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 10:54	Amanda Albright	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 11:17	Jacob Van Dehy	11/10/2020	City Council Comment	501	I'm asking Council to pass a strong resolution on surveillance oversight with S500 and S501, and adopt the amendments proposed by the TRUST SD Coalition. These measures promote good governance. They protect the city from preventable lawsuits, cost overruns, and encourage open and transparent government. Currently, mass surveillance technology is acquired and deployed without prior input from the public. Impacted communities don't have a seat at the table. If you are deploying technology that will affect us, we need to have a voice in crafting policies. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 11:24	Ian Craft	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 11:42	SUSAN ZYPHUR	11/10/2020	City Council Comment	501	I am a resident of San Diego county, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 11:47	Katie Levy	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 12:07	Kat St. Aubin	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:18	Sarah Millhoff	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:20	Cynthia Dickinson	11/10/2020	City Council Comment	501	Please vote in favor of this ordinance as it will put in place necessary safeguards that keep our privacy rights protected and with ordinance 500 will address future mass surveillance technology in San Diego.

11/8/2020 12:23	Luke Herrington	11/10/2020	City Council Comment	501	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p> <p>We don't have to trade privacy for security. We can have both!</p>
11/8/2020 12:24	Luke Herrington	11/10/2020	City Council Comment	501	<p>I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p> <p>We don't have to trade privacy for security. We can have both!</p>
11/8/2020 12:32	Deborah Gostin	11/10/2020	City Council Comment	501	<p>am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p>

11/8/2020 12:37	Krystle Johnson	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. The council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:54	Julia Slupska	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. I ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. I am concerned that the loopholes added using the language of “legitimate security concerns” and “exigent circumstances” will impede Council’s ability to have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/8/2020 12:59	Gabrielle Garcia	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/8/2020 13:00	Rachel Parish	11/10/2020	City Council Comment	501	Dear City Council Members, I am a constituent and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. The Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 8:24	David Tran	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 9:21	Wendy Wheatcroft	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 9:49	Krijn van der Raadt	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 9:58	David	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 10:03	Stacey	11/10/2020	City Council Comment	501	Please pass the ordinances presented by the TRUST SD Coalition. These measures promote good governance. They protect the city from preventable lawsuits, cost overruns, and encourage open and transparent government. Currently, mass surveillance technology is acquired and deployed without prior input from the public. Impacted communities don't have a seat at the table. If you are deploying technology that will affect us, we need to have a voice in crafting policies. There is currently no oversight of the acquisition or use of surveillance technology in San Diego. As a result, these systems are plagued by a lack of expertise, a lack of transparency, and cost overruns.
11/9/2020 10:38	Ariana Torres	11/10/2020	City Council Comment	501	I am a constituent here in North Park San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 10:41	Brooke Farnum	11/10/2020	City Council Comment	501	I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. They will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. We don't want to expand exigent circumstances beyond protecting human life. Opening property damage as an exigent circumstance opens us to allow the government to use face recognition or other unapproved technologies to monitor protests or community gatherings. Meaningful oversight means no loopholes for vaguely defined "security concerns" that could hide surveillance tech that directly affects our communities. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:10	Cassandra Fullerton	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:13	Carly Goldstein-Schu	11/10/2020	City Council Comment	501	As a resident of San Diego, I urge the council to vote YES on the TRUST SD ordinances. As a city, we need to protect our privacy rights and address the future of mass surveillance tech in San Diego. Please support the amendments presented by the TRUST SD Coalition. Thank you.

11/9/2020 11:25	Christina Griffin-Jones	11/9/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:30	Taylor Lane	11/10/2020	City Council Comment	501	I am a constituent here in San Diego (district 3), and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. The council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 11:35	Kathy Archibald	11/10/2020	City Council Comment	501	Please vote YES on the TRUST SD ordinances to promote good governance and protect our privacy rights, protect the city from preventable lawsuits and cost overruns, and encourage open and transparent government.
11/9/2020 12:10	Katrina	11/10/2020	City Council Comment	501	I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 12:14	Alisa Miller	11/10/2020	City Council Comment	501	I urge you to vote yes to establish a Privacy Advisory Board for the city of San Diego. This will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government.
11/9/2020 12:16	Lauren-Taylor Mansfield	11/10/2020	City Council Comment	501	I am a concerned constituent of Corono who frequently visits San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 12:24	Rachel Salvati	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 12:27	Todd Prodanovich	11/10/2020	City Council Comment	501	I'm a resident of District 3, and I'm writing to express my support for the establishment of a Privacy Advisory Board to help protect the civil liberties of San Diegans and ensure that surveillance technology is not being used in a way that infringes upon those liberties.

11/9/2020 12:29	Joyce Lane	11/10/2020	City Council Comment	501	I am a constituent in District 9, and I urge you to vote YES on the TRUST SD ordinances. These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology. Thank you.
11/9/2020 12:39	Kyle Knoebel	11/10/2020	City Council Comment	501	This is Kyle Knoebel in San Diego's 3rd District, and I urge you to vote yes on the TRUST SD ordinances this November 10th (agenda items S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 12:56	Anita Chowdhury	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 12:57	Shelby Woulfe	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 13:40	Celine Milla	11/29/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances. Please support the amendments presented by TRUST SD Coalition that will put safeguards into place for citizens right to privacy.
11/9/2020 13:45	Courtney Moltzen	11/10/2020	City Council Comment	501	As a San Diego resident and constituent, and I urge you to vote YES on protecting our communities by voting YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. Surveillance technology is never objective, and inherently puts marginalized communities at risk. We stand against endangering our community and urge you to stand with public safety.
11/9/2020 13:47	Jewell Karinen	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 13:54	Nicole G Wells	11/10/2020	City Council Comment	501	<p>Hi my name is Nicole Wells. I am writing in support of the two ordinances that will create a Privacy Advisory Board and create a process to ensure that there is transparency and responsible use of surveillance technology. We need these ordinances to address the future of mass surveillance technology in San Diego, and I urge councilmembers to VOTE YES on both ordinances.</p> <p>We demand the strongest laws possible be passed by City Council to protect our privacy rights. We must create a democratic process that is transparent and responsive to the needs of the community. We support any amendments brought forth by the TRUST Coalition to strengthen these laws.</p> <p>These ordinances will place oversight of all mass surveillance technology into the hands of San Diegans. The new Privacy Advisory Board will combine experts and community members, and will be sure to include the people most at risk of having their civil rights and liberties violated.</p> <p>We need the Privacy Advisory Board to provide a comprehensive analysis of technology use, privacy concerns, and surveillance issues in San Diego, and to make sure nobody with a financial stake in the prospective tech is in a decision making position. We need this</p>
11/9/2020 14:17	Kandi Custodio-Tan	11/10/2020	City Council Comment	501	<p>I am a resident in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.</p>

11/9/2020 14:21	Alexi G	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:25	Chelsea Geyer	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:28	Lissa Tsu	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 14:28	G Trupp	11/10/2020	City Council Comment	501	Please vote YES on the TRUST SD ordinances. These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. Currently, mass surveillance technology is acquired and deployed without prior input from the public. Impacted communities don't have a seat at the table. If you are deploying technology that will affect us, we need to have a voice in crafting policies.
11/9/2020 14:29	Bertha Rodriguez	11/10/2020	City Council Comment	501	As a San Diego resident, I urge the council to vote YES on the TRUST SD ordinances. The Council must have real oversight and a transparent process for the acquisition and use of surveillance technology. The communities that will be affected don't have a seat at the table. If you are deploying technology that will affect us and our communities, you need to ensure that we have a voice in crafting policies.
11/9/2020 14:38	Joel Alexander	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 14:49	Lisa Marie Jones	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.

11/9/2020 14:50	Tanisha L. Denham	11/10/2020	City Council Comment	501	I am a constituent, and I urge you to vote Yes on agenda item S501.
11/9/2020 14:57	Lauren Becker Downey	11/10/2020	City Council Comment	501	As a constituent of San Diego, I urge you to vote YES on the TRUST SD ordinance at the November 10th session (agenda item S501). This ordinance will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. This ordinance will put in place necessary safeguards that keeps our privacy rights protected and addresses the future of mass surveillance technology in San Diego. It promotes good governance and protects the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinance as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
11/9/2020 15:06	Sarah	11/10/2020	City Council Comment	501	I am a constituent here in San Diego, and I urge you to vote YES on the TRUST SD ordinances this November 10th (agenda item S500 and S501). These ordinances will establish a Privacy Advisory Board to review and provide recommendations to the Council on the acquisition and use of surveillance technology. These ordinances will put in place necessary safeguards that keep our privacy rights protected and address the future of mass surveillance technology in San Diego. They promote good governance and protect the city against lawsuits, cost overruns, and encourage open and transparent government. We ask that you SUPPORT THE AMENDMENTS presented by the TRUST SD Coalition in order to keep the ordinances as strong as possible. Council must have real oversight and a transparent process for the acquisition and use of surveillance technology.
